

# Reviews/Quotes

"Listening to Lenny Mink is like taking a musical safari." -*Ryan Marquez*

"Psychedelic Cyrillic Rock Singer / Songwriter? Indeed. Mink's versatility knows no bounds"- *TheHypeThing*

# Press Release

Lenny Mink's new single "Skin Deep Still Asleep" delivers a catchy hook cloaked in a moody, mysterious tone.

A love song? Possibly. Hidden social themes? Maybe. Killer guitar solo and mystical kaleidoscope video? Yes.

Lenny's unique perspective and approach is on display on this song, as well as serious guitar chops and lush instrumentation. Featuring newcomer MIMixDamita on backup vocals.

Skin Deep Still Asleep is second single from the Electric Heartland collection, and Mr. Mink is currently working a new blues album with the first single dropping in February.

# Artist Bios

Lenny Mink is a consummate and prolific songwriter, composer, producer, guitar slinger and touring artist. Born in Belarus (USSR), son of a sax and woodwind virtuoso, raised on Beatles, Bach, Hendrix, Steely Dan and Top 40 in America's heartland and the birthplace of rock ~ St. Louis.

He performs and collaborates with many artists in "The Lou" and far beyond.

Mink's blends guitar magic and the deep American singer songwriter tradition, with jazz, blues, classical and even electronic soundscapes.

The melodic maestro's songs get stuck in your head, and in your heart!
